

The background image shows a modern, open-plan interior space. In the foreground, there is a long, low reception desk made of horizontal wooden slats. To the right, a bright yellow armchair sits on a teal rug next to a small round coffee table with a potted plant and books. The ceiling is industrial with exposed pipes and various pendant lights, including a large blue one. In the background, there are glass-walled rooms and colorful wall art, including a large number '1' and a 'LOVE' sign.

LEIT Leadership English Institute

Shaping Future Leaders through International Standards of English Excellence.

Our Vision & Story

A legacy of over 20 years in redefined English education.

20 Years of Educational Mastery

Established on September 18, 2005, in Tangerang, LEIT (Leadership English Institute) was born out of a passion for accessible, high-quality education.

We blend English mastery with essential leadership values, empowering thousands of students to stand out in academic and professional landscapes.

Our Reach: From non-formal courses to formal school institutes, we bridge the gap between language and leadership.

The ICISD Philosophy

Integrity

Strong moral principles as the foundation.

Compassion

Understanding and empathy in global contexts.

Intelligence
